Madame Tussauds rejects scum thieves of Iraq and says their real place

Is the landfill of history.

Iraq, 30.11.-0001, 00:00 Time

USPA NEWS - Translated by Dawood Al-bayati

The third millennium began with the scum of the political class governing Iraq today !!!
Marie Tussauds is the founder of the wax museum , or Madame Tussauds museum, which is located in London,

Where the wax museum contains statues of global dignitaries and in all areas : in art, politics and others, such as Winston Churchill, Hitler and Shakespeare. Meantime there are branches of the wax museum in many countries of the world : in Amsterdam, Las Vegas, as well as a branch in Hong Kong. The museum contains statues of many international figures, writers, athletes and leaders, in addition to a number of statues of scientists of the world.

I asked myself, Did Madame Tussaud's dedicate a place for the most famous thieves and killers known in the globe who are the Iraqi politicians ???

Or is it that Madame Tussaud's refuses to have this great edifice be contaminated (wax museum)by those politicians ???

A fictional dialogue has come across my mind between me and Madame Tussaud's on this subject which was as follows !!!

I directed my question to Madame Tussauds : what is your opinion as regards working statues of wax to some Iraqi politicians and put them in the museum ?? Madame Tussauds responded : is it reasonable to work a statue of wax to the largest corrupt and criminal and sectarian person in the world Nuri al-Maliki and put it in the same museum where the statue of Richard III king of England is there ??
!!!

Madame Tussaud's continued to talk with me, saying: Is it logical to work a wax statue to the traitor Saleem al-Jubouri who betrayed his public and sold his land to the militias and gangs and put the statue of al-Jubouri in the same museum beside the historical leader and the great personality Nelson Mandela??!!

Will people and wise men be pleased at working a statue to the biggest liar and the most filthy criminal Baqir Solagh who used to kill the youngsters in the secret prisons by drilling machines and put it in the same museum side by side with the world personality George Washington, the president of the United States??!!

Certainly all values and principles never permit ,as per Madame Tussaud's talk,that a statue be worked for the insane and the creator of superstitions Ibrahim al-Jafari and put it in the same museum together with the historical dignitary Ghandi. Madame Tussauds continued speaking to me saying: How can we make a statue to the thief member of the parliament Khalid al-Attiya famous of the case of Hemorrhoids and put it in the same museum side by side with the statue of the global writer William Shakespeare ??!!

Madame Tussaud's continue in casting blame on my miserable thoughts as she said: We are not permitted to destroy the reputation of this great museum and work a statue to the ignorant illiterate who is called Kamil Zughayyer member of the Football Union, who ever recognizes the ABC of sports, especially he is known of his immoral behaviors , and put it in the same museum where the legendary statue of Pele is there ?? !! Will the world accept that we waste the wax material to work a Statue to the stooge MP Hanan al -Fatlawi,

And put it in the same museum which contains Princess Diana statue ?? !! Finally Madame Tussaud's reproach me saying: Is it possible to work a Statue for MP Aliya Nassif who knows nothing about ethics and morality and put it in the same museum where Mrs. Jacqueline Kennedy, First Lady of America is there!!!

After this debate and in the end Madame Tussaud's said to me: We are in this wax museum of this global edifice with this illustrious history refuse that this great museum be contaminated and dirty with rotten models and murderers and criminals who have destroyed the country and displaced the masses.

These are the scums of the third millennium, and are the ruling political class in Iraq, whose their real place should be in the landfill of history .

At the end of the default conversation I conveyed my greetings and respect to Madame Tussaud's.
