USPA NEWS - When I was a little girl, I did not know a thing named (Sunni and Shiite), (Muslim and Christian), I did not know my colleagues in the school, of any sect or denomination or nationality, and when I was a teenager a few times some female colleagues ask me,

Are you Sunni or Shia ?, a Muslim or a Christian?

I hate this question because God Almighty we humans are created from the same mud, the same mind, the same parts of the body, only the difference between the male and the female and does not need to talk about the difference between male and female because it is clearly visible, and God creates man as a Shiite and a Sunni, Muslim and Christian, all of us we will hold one set day of reckoning, was my answer to them is always, a Muslim is no difference between a Shiite and a Sunni, leaving a curiosity stuck in their minds even when I went to university, is Farah Sunni or Shiite ?

and sometimes do not believe that I am a Muslim and they say, Me Christian, and it was I do not care, because for me there is no difference between a Muslim and a Christian.

After 2003, when US troops entered Iraq, I was still a teenager and in school study phase, and was watching the situation in my country are strained and became worse little by little, to enter the sectarianism and terrorism, al-Qaida, then ISIS terrorist, becoming bombings floats across the country, the victims and dead everywhere, and became a question Are you Sunni or Shiite Muslim ?, Christian mother ? is increasing, especially, when I joined the university and my work in some of the press and media.

The subject of Sunnis and Shiites debate it for thousands of years to the present day, and is now not only on the level of a single state, but on the level of state and another state, a Sunni state and the rule of Shiite Muslim-Christian and the State of the State, all of which do not take the lives of only the peoples, particularly, young people and children.

What is happening now in Iraq, Syria, Egypt, Yemen, Libya and other Arab countries, from bombings and violent events, caused the foundation of sedition and sectarianism that does not get rid of them only union among the Arab peoples who do not know how long ?, occur and get rid of the backward idea of going on since thousands of years Are you Sunni or Shiite ?,

Muslim or Christian, Arab or Kurd, ?, ?, Jew, Sabia or Yazidi ?, and therefore we will get rid of even mentioned literally in the writing of press reports, sometimes because it is the reality, however, Arab journalists became obliged in their reports Press said Sunni and Shiite word these Sunni area and the Shiite including me as a journalist, although I hate this thing strongly, To always know when the Arabs have united we stand, and reconstruct, and do not allow to enter terrorism between us and minds sectarian backward scattered everywhere, even in the workplace, and when the Arabs have scattered soak and allow for sedition and sectarianism that the necrosis of our minds,

The simplest example of this, when he spoke of a particular issue between Iraq and Saudi Arabia, or between Iran and Iraq or between Iraq and Turkey, begins sectarian flare up, especially on social networking sites, and see some politicians, writers, journalists, and people on the known level, speak the word of sectarian and strongly worded level, nor It kills only the Iraqi people, the Saudi people and the Iranian people, Turkish people, and I think that the Arab peoples are now well aware of this thing, and they should not allow sedition and sectarianism and minds backward to broadcast their poison on the Arab street.
